Draft List

1. Lincoln Way Wheat (Passionfruit)

- *American wheat beer made with 3 malts and 2 hops. Hazy light straw color, banana/fruit and a slight clove ester profile make up this easy drinking beer. We've taken our traditional recipe and added a whole bunch of fruity, sweet, and aromatic passionfruit to the mix!*
5.4% ABV 20 IBUs \$5.00/16 oz. pour

2. Sarah's Jam Session IPA

- *Great music helps make great beer. Inspired by the jams in the Brewery this Session IPA is light, citrusy, and refreshing. Perfect for long summer days. Prominent notes of melon and grapefruit.*
5.3% ABV 30 IBU \$5.00/16oz. pour

3. Circular Logic

- *Our NEW hazy IPA! Whirlpooled with literal buckets of Azacca and El Dorado hops, then double dry-hopped at over 3 pounds/barrel with the same. Tastes like ripe melon and mango gummies on a bed of liquid tangerine puff pastry.* 6.2% ABV 30 IBUs \$6.50/16 oz. pour

4. Black IPA

- *Rich dark roasted malts paired with a slight hop bite.*
6.5% ABV 42 IBUs \$5.00/16 oz. pour

5. Märzen

- *Our 1763 Lager's Bavarian cousin has a stronger, toastier malt flavor, while remaining pleasantly clean and crisp. It's also arguably THE best beer to pair with....well, pretty much any food. Prost!"*

6. Doggone Abe IPA
